

St. John Paul II HIGH SCHOOL

Northern Colorado's Catholic High School

A Catholic, Classical High School

At St. John Paul II High School, our faith animates everything we do, especially our educational vision. *Our mission is to advance the intellectual, spiritual, and human formation within the Catholic tradition by boldly leading all students toward "knowledge of the Son of God, to maturity, to the measure of the full stature of Christ" (Ephesians 4:13).* Our classical curriculum for grades 9,10,11 & 12 encourages them to learn to think critically and express themselves.

Investing In Our Future Church

We know that choosing Catholic school is a sacrifice for many families, and we are dedicated to providing robust financial aid to lessen the load for those wanting to build a better future for their students and for the Church in Northern Colorado.
